

P.O. Box 200748  
Cartersville, GA 30120

Dear Ms. Galvin,

Thank you for authorizing the Georgia Public Safety Disaster Response department to incorporate the 9/11 logo onto the patch we wear everyday. We appreciate the ability to represent our cause to prevent and fight terrorism with this significant symbol which depicts the worst terrorism event in US history. We wear our patch with the 9/11 logo with pride. It allows us to honor the men and women who lost their lives while trying to save others.

Enclosed is the patch that you helped make possible. Once again, thank you for allowing us to utilize the logo that symbolizes the strength of the American people. We will always remain indebted to you. Please feel free to contact us anytime.

Thank you,

Chief B. Webb
