

Couple Designs Sept. 11th Flag

by Natalie Ferreri

A Wolcott couple is hoping to make an official flag to honor the victims of September 11th.

Stephen and Joanne Galvin of Wolcott say they want their flag to be a permanent tribute to 9/11. It represents the four planes that crashed into the Twin Towers, the Pentagon, and Pennsylvania. The flag is based on the POW/MIA flag that commemorates the Vietnam War.

Assemblyman Bob Oakes and Congressman Tom Reynolds are helping the couple to make the flag official. Stephen says his 9/11 flag is a public flag and has received a lot of support through the community.

"Just to thank everybody for all their support on this flag and the comments we've received. We've received nothing but positive comments on this and it means so much to us," Stephen said.

If you would like to order a flag, you can call Stephen or Joanne Galvin at 315-594-9274, or visit 911remembranceflag.com.
